Improve student performance by improving teaching skills, methodology and approaches .

AIM

To provide competence in:

- Understanding the NCV
 - Teaching Skills
 - Assessment Skills
- Integration of Teaching and Assessments
 - Monitoring and Reporting
- Written and Verbal Language Application

Course Outcomes:

- Understanding the NCV and OBE
- Teaching Skills
- Assessment Skills and Application
- Integration in Teaching and Assessments
- Monitoring and Reporting
- Written and Verbal Language Application

This is placed into the context of the NCV and FET College requirements, and references the need for an Orientation Programme as described in the "Draft National Policy Framework for Lecturer Development in FET Colleges in South Africa" 30 June 2009.

Target Audience

Newly employed FET College Lecturers and anyone who has not benefitted from training in the NCV programme. Lecturers who are from industry and do not have a teaching background will benefit from attending this course.

Duration

- 5 consecutive days
- Home and classroom tasks

Cost

The cost per delegates is dependent on the number of delegates who will be attending the training workshop. Please contact THSBS for a quotation based on the needs of your college.
